## OUR VISION

Union-North United School Corporation is where parents choose to send their students and highly effective employees aspire to work. Innovative programs and community partnerships, within a technology rich environment, challenge students with a rigorous and relevant curriculum to meet current educational needs for career and college readiness.

Academic, extra-curricular, and co-curricular activities provide students with opportunities to build critical-thinking, teamwork, and leadership skills. We are committed to proactively creating and maintaining an educational environment that is safe, diverse, and provides students the necessary skills to succeed beyond the classroom.
